Language And Literacy Homework Book Mathematics And Numeracy Homework Book- (If your child has corrections to complete.) Times Tables Book or Mental Arithmetic Book Confirmation- Filled With Joy Book
Friday	Homework Diary Tables And Grammar Rules Book Notes Folder- containing Home-School Messages Book. Confirmation- Filled With Joy Book

Please check that your child has all his/her books home with him/her each night.

Please note that Spelling Practice must be completed each Monday, Tuesday and Wednesday for homework. This involves a parent/adult calling out the spellings from the list and pupils writing them down from memory into the small yellow book following the LSCWC method as explained in his/her Spelling Workbook. This helps pupils learn their spellings for their test on Thursday. Pupils are expected to go over any corrections from their Spelling Test on a Thursday evening as they will be tested on those words again on Friday.

Pupils are also expected to complete any corrections from their Tables Test on a Thursday in their Mathematics and Numeracy Homework Book that evening.

Any new tables or grammar rules written into the Tables and Grammar Rules Book must be learned each night and should be revised at the weekend. Pupils will be tested on their spellings, tables and grammar knowledge each week.

This checklist is also available to view on our school website:
